# About Us

## Mission Statement

**InfiniteCare-Plus'** mission is to provide safe, affordable, high quality in-home care by supporting our clients' desire to remain at home for as long as they possibly can. We endeavor to provide a home environment that encourages our clients' independence, respecting their individuality, and preserving their dignity. Our staffs are committed to provide the best care and services to our clients we are so privileged to serve by providing them support and encouragement that relates to their social, physical, emotional, and cognitive well-being. We are committed to give the best services we offer.

## Vision

**InfiniteCare-Plus'** vision is to be the leading home health care provider and health care personnel staffing servicer by defining industry quality standards through cost-effective provision of innovative service delivery models, staff training and education, and through the use of advanced technology to improve clients' care.

# Our Services

We aim to simply make the tasks of caring for a loved one a little bit easier for you. Thus, we provide an array of services that can be tailored to your specific need and abilities. Whether the need calls for two hours a week or 24 hour coverage, we have the flexibility to accommodate each client's unique home care choices.

- ★ Alzheimer's & Dementia Care
- ★ Personal Care Assistance
- ★ Meal Preparation
- ★ Respite Care for the Family Caregiver
- ★ Companionship & Travel
- ★ Shopping & Doctor's Appointments
- ★ Live-in / 24 hour coverage
- ★ Skilled Nursing Services
- ★ Care Management

To meet our client's constantly changing needs, we strive to make our care services as flexible and as versatile as possible. Through our Care Management process, our Caregivers are fully trained and dutifully required to observe, monitor, and document all aspects regarding their client's health condition.

# Why Choose Us

These are the highlights you can enjoy when you become a client at **InfiniteCare-Plus:**

- ★ We give due attention to the unique needs of our individual clients at home. It is important that we don't disrupt their normal way of living. We only add convenience by making home care services available in their own residence.
- ★ We coordinate with the clients' physicians. They are the primary care coordinators and health management point-person. We align our services to the treatment that has been prescribed for you.
- ★ We provide equitable and fair treatment to all our clients regardless of age, color, religion, national origin or race in our provision of home care services. Additionally, as an equal opportunity employer, we are not bias when hiring our staff based on their race, color, national origin or religion.
- ★ We apply a continuous effort when improving our services. We believe that innovation and flexibility to the changing times will be our key to surviving in the industry that is as competitive as it is today.
